

Jim Gibson to lead session at Health IT + Revenue Cycle Conference

James T. Gibson, President of Gibson Consultants, will be the sole speaker at “The Job Market in Health IT” breakout session at the 3rd Annual Health IT + Revenue Cycle Conference. Mr. Gibson’s session will be on Saturday September 23, 2017 and will be moderated by Scott Becker, JD, CPA, Publisher, Becker’s Healthcare.

Mr. Gibson has spent over 25 years in healthcare and health IT companies. He is the founder of Gibson Consultants, a retained search firm, and Enterprise Recruiters, a contingency search firm. Both companies focus exclusively on healthcare.

The Becker’s Hospital Review Health IT + Revenue Cycle Conference brings together hospital and health system Chief Information Officers, IT Executives, and Revenue Cycle leaders to discuss the role of the CIO, data analytics, mobile health, EMR issues, denials and revenue cycle challenges and trends.

This year’s conference will be in Chicago from September 21 – 23, 2017. In addition to over 134 sessions and 150+ speakers from hospitals and health systems focused on Health IT and revenue cycle, this year’s conference features Keynote Presentations by:

- **George W. Bush**, 43rd President of the United States of America
- **Sugar Ray Leonard**, Boxing Legend, Successful Entrepreneur and Author
